Sunday, May 26, 2013 • 5pm

Following its popular Spanish-themed *Flamenco Fiesta* (2012) the *Baroque Festival* now presents a 'music in the gardens' party with a South-East Asian flair. Join us in our Artistic Director's tropical garden for an evening of snacks, wine, while enjoying music and dance of Indonesia. This event is a fundraiser.

Tickets are \$50 (general, available at all outlets) or \$90 for 2 (mail in orders only).

Location: Directions provided to ticket holders.
